

# FAT CATTLE - HOOF CLASSES

The Fat Cattle (sometimes called ‘Prime Cattle’) Competition is for a class of beef cattle of any age but usually greater than one year, well-covered and judged ready for slaughter to provide prime cuts of beef.

The Fat Cattle Classes are judged before Show Day on Monday 15 August 2022 at the Canungra Showground. Cattle are delivered to the Showground in the morning of the competition where the judge will view them before delivering his results to the waiting crowd of local graziers.

The Fat Cattle judging is traditionally a day for the local graziers. They get together for a chat and lunch after the competition is finished and presentations have been completed.

It is a very friendly competition at Canungra, however the entrants take a lot of pride in their beasts and there is a certain amount of prestige in winning any of the classes, and especially taking out the coveted ‘Champion Beast of Show’ or ‘Most Successful Exhibitor’ awards.

The cattle entered are sold at the Cattle Sales the day after judging.
